Automatic disclosures, including the exchange of recorded conversations between plaintiff and defendant, have been completed. The Court recommends that further discovery be stayed and deferred until after the parties engage in summary judgment motions practice based on the recordings. Counsel are directed to confer and, by January 28, 2013, to file a joint proposed briefing schedule; if plaintiff concludes that

he needs additional discovery to respond to the motion, and if defendant does not consent to provide so prior to motions practice, plaintiff shall file a letter-request with this Court by January 28, 2013, identifying the disputed discovery and its relevance to the motion.
